Subject: FW: Flower Show Signs for the Acton Garden Club Flower Show on June 14 and 15 at the Acton Memorial Library

Attached please find a request from the Acton Garden Club to place two temporary signs on the Common to advertise a flower show being held as part of the Acton 275 event. I strongly recommend approval.

Regards,

Dean A. Charter
 Municipal Properties Director

Subject: Flower Show Signs for the Acton Garden Club Flower Show on June 14 and 15 at the Acton Memorial Library

Dear Dean,

As a follow-up to our conversation on Tuesday, I am writing to you requesting permission to place two A-Frame signs publicizing the Acton Garden Club Flower Show, ***All About Town, Celebrating Acton's 275th Anniversary***. I would like to place one on the Common and one in front of the library on Sunday, June 13, Monday, June 14, and Tuesday, June 15 for sure and if possible for the entire week before the show beginning on Tuesday June 7. We would be using the same A frame signs that we use for the Plant Sale in May. The size is approx. 3' x 4'. The printed sign would be 20" x 30". The show is open to the public on Monday, June 14, 1-8 pm and Tuesday, June 15, 9-5pm. We would be removing the signs at 5. On the days that the show is open, we would like to have a decorative arrangement near the entrance to the library to welcome the visitors. This would not inhibit anyone from walking on the sidewalk or entering the library and it would be taken in at night when the library closes on Monday.

I also would like to invite you or any town citizen who is interested to enter the show. We have a class open to the Citizens of the Town of Acton (not members of the AGC) for a Flowering Houseplant. The plant must be in flower and have been in your possession for 90 days. So if you have a beautiful houseplant (begonia, African violet, or other) or anyone you know does....please enter. We would love to have some town participation.

Thank you so much for your consideration. I hope we are able to place the signs.

Regards,
 Thelma H. Shoneman
 Chairman, *All About Town -- Celebrating Acton's 275th Anniversary*
